**“THE MADE IN CLARKDALE ART SHOW 2011”** announces the celebration of its 25th year of offering professional handmade local artwork of 80 + artists of Historic Clarkdale. The show begins Friday, December 2nd with The Gala Opening Event continuing for ten days- through Sunday, December 11<sup>th</sup>, 2011.

Just think... a quarter century of the Verde Valley community’s celebration of art, kicking off a year-long celebration of events in honor of the 2012 Clarkdale’s Centennial and the State of Arizona Centennial... this year will surely be a special one no one will want to miss!

The ten day art show is located in the historical Clark Memorial Clubhouse, 9th & Main Streets, and opens daily from 9 AM to 5 PM - Saturday & Sundays from 10AM to 5PM.

**All of the events are FREE and open to the public.** Made in Clarkdale Art Show is the perfect venue for unique original handmade works of art. Each year **Made in Clarkdale** just gets better and better! Since 1987, artists living and/or working in Clarkdale have been sharing their love of the arts by creating pieces of art which are a testimonial of a feeling or idea, communicated through various mediums. Find original and handmade works of over 80 artists, with thirteen new artists this year.

The public can expect to see professional paintings, large outdoor and small sculptures, photography, ceramics, jewelry and handmade treasures such as fiber-arts, pottery, and other functional artistic items that are perfect for the collector of fine art and gift giving.

The famous **GALA OPENING EVENT**, Friday, December 2nd from 6 - 9pm has a community reputation for merry making and provides party-goers with the opportunity to personally connect with the artists, vote on their favorite pieces. The entire Verde Valley community will be joining the artists for socializing, their hospitality, refreshments and the entertainment of the music performance of the Janice Paul Combo and the Blue Dragon Belly Dancers.

In celebration of its 25<sup>th</sup> Anniversary...a special display of artistic works for the last twenty five years will be presented in the foyer of the Clark Memorial Clubhouse...venue for the 10 day Art Show.

There is art for everyone, from exhibition fine arts to affordable treasures. Act quickly if you see some art that interests you- *original works of art* go quickly. Your viewing and purchase opportunity continues until the last day, December 11<sup>th</sup>, 2011.

We send our thanks to our *Made in Clarkdale* sponsors: Clarkdale Chamber of Commerce, APS, Town of Clarkdale, Salt River Materials Group, Cottonwood Chamber of Commerce, Art Glitter and the MIC Artists.
